

ALLPREM Parakeet Food

The food that changed how caged birds are fed.

- ♦ The best fruit and vegetable "free choice" feeding method.
- ♦ Specially selected ingredients improve acceptance without unnecessary color and flavor additives.
- ♦ Scientifically researched, studied and tested.
- ♦ Carefully measured and matched pre-mixes are used to control iodine, copper, iron and selenium.
- ♦ Developed and tested by experts in avian nutrition, avian medicine, and avian husbandry.
- ♦ Recommended by avian, wildlife and zoo veterinarians.
- ♦ More vitamins, minerals, essential proteins and oils than pet store products.
- ♦ Long-term use in multi-generational breeding facilities with proven results.

ALLPREM Parakeet Food

ALLPREM Parakeet Food is the best way to improve the health of your English Budgie, Australian, Monk, Quaker, or Ringneck Parakeet.

ALLPREM Parakeet Food is a round pellet about the size of a "BB" (3 mm). This food is for smaller hookbills and enjoyed by Cockatiels, Love Birds, and Parakeets.

This small food morsel is easy to feed and can be fed wet or dry to provide your bird maximum variety and eating enjoyment.

Feeding Protocol

Please check our web site for ideas on how to feed these innovative foods. www.scenicbirdfood.com

Guaranteed Analysis (AF*)

Crude Protein	16% min.	Moisture	10% max.
Crude Fat	5% min.	Ash	6% max.
Crude Fiber	5% max.		

Selected Nutrients ** (AF)

Available Iron	80 ppm min.	Methionine & Cystine	0.9% min.
Calcium	1.2% min.	Copper	20 ppm min.
Phosphorus	0.7% min.	Iodine	2.5 ppm min.
Vitamin D-3	3500 IU/Kg min.	Selenium	0.3 ppm min.
Lysine	1.2% min.
